From the Director's Desk

Great news, the NOAA Commissioned Officer Corps permanent appointment and promotion nominations have made their way through the White House to the Senate and have been posted on the Federal Register. CPC will keep you updated on the confirmation process.

Commander Jonathan W. Bailey, NOAA
Director, Commissioned Personnel Center

Augmentation Opportunities

Note Date changes: The NOAA Ship DAVID STARR JORDAN has a critical need for a qualified OOD for their summer Shark Cruise from June 15 (San Diego) to 6/26 (San Diego) and 6/27 - July 7 (San Diego) and also a Calcofi cruise July 12 (San Diego) - July 29 (San Diego). The officer will fill a vacancy for the XO. Experience as XO, MPIC and long lining is highly desirable, but not required. Interested officers, please contact CDR Bullock by May 28.

We got a volunteer for the OSCAR ELTON SETTE cruise - THANKS!

The NOAA Ship HI'IALAKAI is seeking 2 qualified OODs to augment on any of the cruises during August 1, 2004 to December 1, 2004; exact dates and port calls have not been established. Interested officers must be OOD qualified on a NOAA vessel and be able to stand an OOD watch after 1 week of observation by CO/XO. Please contact CDR Bullock by June 25.

Any interested officers should review the qualification requirements in the new NOAA Corps directives found at: http://www.noaaacorps.noaa.gov/cpc/ncregs_ncdir.html#ncdc4
- see CH 4 "Refresher Training"

If interested and qualified (or requesting waiver of quals), contact CDR Michele Bullock at 206-553-8705 or Michele.bullock@noaa.gov.....soon! MOC/ship funds will pay for travel.
